Our prices are based on a minimal costs, which means huge competitive savings. Use our price lists to compare with other sites and see if our new 3G GSM EDGE SIM Free Camera With Flash Cell Phones are truly complete. We are strongly committed to providing our customers with top quality merchandise, reliable shipping and world-class service. Our aim is to become one of the cutting edge Cell Phones Web Site that offer new cell phones as they become available in the US market. We stand behind each sale with confidence that we have just acquired another satisfied cell phone owner.

All of our cell phones use removable unlocked SIM Cards; hard wired by any cell phone service provider.

Please check compatibility issues prior to your purchase:

First area of concern:

Is the current SIM card I use removable and Unlocked ??

Yes: My current cell phone provider uses a removable unlocked SIM card

No : There will be compatibility issues. Contact your cell phone service provider.

What you gain:

If SIM Card Is Compatible

Get a new cell phone not offered by Service Provider

NO new Service Contract

NO need to Renew An Old Contract

Keep Your Old Plan

Plug in your SIM card and GO

For more background information on cell phone features and terms used on our cell phone description pages, take a look at our [Cellular Glossary](#) for more clarity. We feel an educated consumer will always be our best customer.

We at 1stCellPhones.com will provide reliable, safe online shopping and buying 24 hours a day, 7 days a week. Our current product inventories offer, (Excuse our emphasis on NEW, but we must make it clear) NEW unlocked Motorola Cell Phones, NEW unlocked Nokia Cell Phones, NEW unlocked Samsung Cell Phones, and NEW unlocked Sony Ericsson at competitive prices.
